```

Compile

The screenshot shows an IDE window titled 'courier-app - pom.xml (integration)'. The 'Run' tab is active, displaying the output of a Maven build. The output indicates that the build was successful, with all modules compiled and tested. The modules listed are: courier-app, bom, delivery, domain, application, infrastructure, delivery-administration, domain, application, common, integration, and build. The total time for the build was 1.386 seconds, and it finished at 2023-04-17T16:03:04+02:00. The process finished with exit code 0.

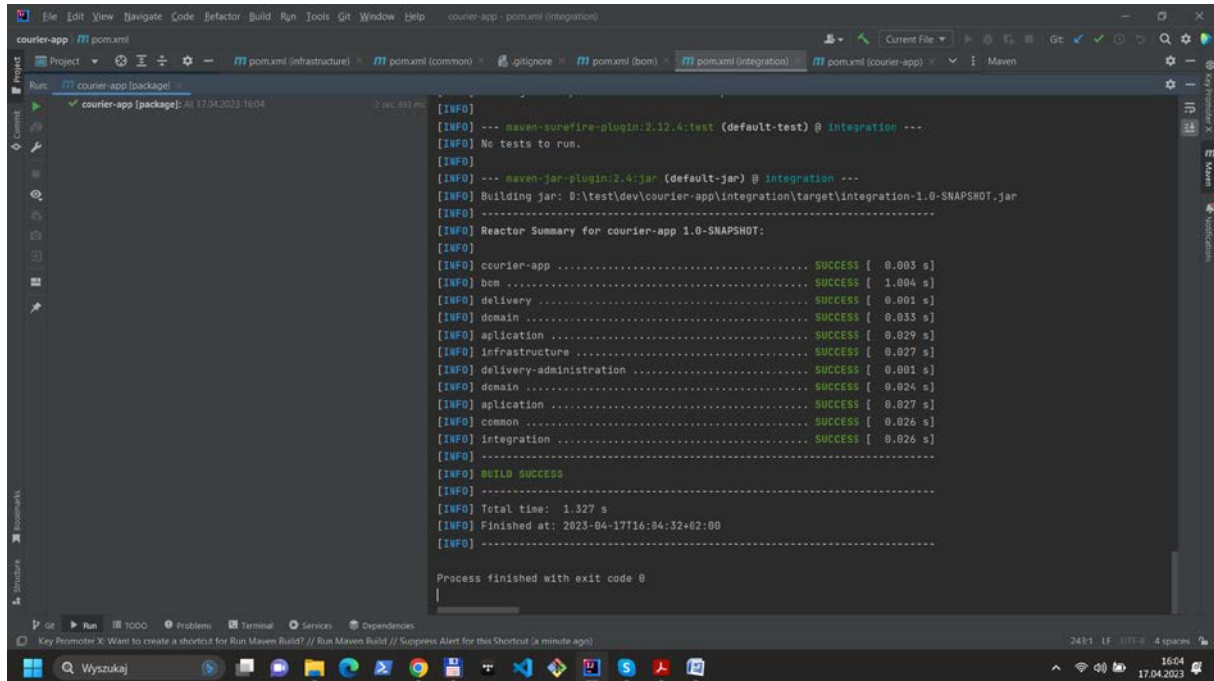

```

```

Nie ma testów ale test.

The screenshot shows the same IDE window, but now the 'Run' tab displays the output of a Maven test run. The output indicates that the tests were successful, with all modules tested. The modules listed are: courier-app, bom, delivery, domain, application, infrastructure, delivery-administration, domain, application, common, integration, and build. The total time for the test run was 1.399 seconds, and it finished at 2023-04-17T16:03:49+02:00. The process finished with exit code 0.
